Hybrid Profile

My code runs at the intersection of **Sustainability** and **Technology**. I am an executive consultant designing complex ESG strategies and, simultaneously, a developer building the digital tools to implement them. I transform compliance (CSR/GRI) into measurable innovation, combining behavioral science, data analytics, and strategic leadership.

Professional Experience

Senior ESG Consultant

- **Sustentare** <2021 -- Present>
Architect of sustainability strategies for large organizations.
- **Decarbonization Logic**: Leading teams in Double Materiality assessments and climate transition plans.
- **Regulatory Compliance**: Implementing auditable reporting systems (CSR/GRI, ESRS) for Tourism and Service sectors.
- **Data-Driven Advisory**: Utilizing proprietary analytics tools to advise the C-Suite on ESG risks and opportunities.

Founder & Head of Innovation

- **CORE | Consultoria** <2013 -- Present>
Boutique consultancy merging ESG strategy with software development.
- **The ``Killer App``**: Designed and coded a proprietary SaaS platform for ESG management (Full-Stack). Impact: 40% reduction in audit time.
- **Flagship Projects**: Designing high-impact social projects for major clients (Galp, SIBS, BPI).

Training & Capacity Building

Certified Trainer (ESG)

- **CRIAP & Corporate Training** <2021 -- Present>

Responsible for elevating sustainability literacy in the corporate sector.

- **Corporate Upskilling**: Designing internal training on regulatory compliance and strategic SDG integration.
- **Executive Training**: Lecturer in advanced courses on Psychology and Sustainability at Instituto CRIAP.
- **Methodology**: Practical approach focused on organizational behavioral change.

Digital Enabler

Tech Lead (Mobile/Web)

- **Studio Graphene** <2021 -- Present>

Maintaining hands-on technical agility. Leading dev teams (React/Node) to build robust digital solutions. This dual capability allows me to translate complex ESG requirements into clear technical specifications for IT teams.

Media Legacy
Host & Producer

- **Podcast ``Conversas com Impacto''**
 <2018 -- 2023>

(Completed Project) Pioneer in Portugal on Social Innovation advocacy.
+50 interviews with top decision-makers and opinion leaders.
